Hi Justin,
The final attachment (Justin NRC wDW2.docx) I am sending to you has a signature that is lined up better. It is a only final change.

Hello Justin,
The C-10 Research and Education Foundation (C-10) and the Union of Concerned Scientists (UCS) have attached recently a cover letter with our concrete expert, Paul Brown Ph.D.'s comments on Seabrook's ASR license amendment request.

If you have any questions, please contact me.
Thank you,
Debbie
