Ladies and Gentlemen:

By Reference 1, Duke Energy informed the NRC that the fifth 10-year IST interval start date was being adjusted from the previously scheduled start date (i.e., May 11, 2018) to November 1, 2017. Due to delays encountered during the update process, Duke Energy is delaying the fifth 10-year IST interval start date to December 22, 2017.
