Docket Number: 72-1051

Subject: Holtec International HI-STORE CIS (Consolidated Interim Storage Facility)
License Application Responses to Requests for Supplemental Information

Reference: [1] NRC Letter, Acceptance Review of Holtec International's Application for Specific Independent Spent Fuel Storage Installation License for the HI-STORE Consolidated Interim Storage Facility for Spent Nuclear Fuel – Request for Supplemental Information," from J. Cuadrado (NRC) to K. Manzione (Holtec) dated July 7, 2017
[2] Holtec Letter 5025015, "Holtec International HI-STORE CIS (Consolidated Interim Storage Facility) License Application Requests for Supplemental Information" from K. Manzione (Holtec) to M. Layton (NRC), dated July 21, 2017

Mr. Cuadrado:

Holtec is pleased to submit responses to the staff's requests for supplemental information (RSIs) [Reference 1] on the HI-STORE Consolidated Storage Application. As stated in our previous letter [Reference 2], this submittal contains responses to all RSIs and observations, except for three RSIs that will be submitted at a later date.

Attachments 1 and 2 contain the responses in proprietary and non-proprietary versions. Attachments 3 and 4 contain the revised HI-STORE SAR, with all changes shown in red text, in both proprietary and non-proprietary versions. Attachment 5 contains a revised version of the proposed technical specification, and Attachment 6 contains a revised version of the HI-STORE Environmental Report, both of which have changes identified in red text. Attachments 7 through 10 contain supporting reports for the application. Since a number of the attachments are considered proprietary, an affidavit pursuant to 10CFR2.390 is included as Attachment 11, requesting that this information be withheld from public disclosure.

If you have any questions, please contact me at k.manzione@holtec.com or (856) 797-0900 ext. 3951.

Sincerely,

A handwritten signature in cursive script, appearing to read "Kim Manzione".
