Timeline for V.C. Summer 2&3 operators with NRC pass letter to obtain pass letter at Vogtle 3&4

- Completed 10/16/17—Enroll the recently hired V.C. Summer 2&3 operators with an NRC pass letter into the IOCT program at Vogtle 3&4.
- 12/30/17—Review V.C. Summer 2&3 simulator load 3 discrepancies list for differences against current simulator load at SNC for changes that would affect operator response or decision making.
- 12/30/17—Validate GFES date from V.C. Summer 2&3 operators with an NRC pass letter to ensure current status will support pending NRC Form 398.
- 1/30/18—Perform GAP analysis of V.C. Summer 2&3 ILT program including Systems, Administrative procedures, Emergency Planning, Operations procedures (SOP, GOP, AOP, EOP), Qualification Card, and Simulator training against the Vogtle 3&4 ILT program.
- 3/30/18—Develop required training to cover items identified by the GAP analysis and, if applicable, any simulator load differences that would affect operator response or decision making.
- 5/25/18—Implement and complete training and evaluation to cover items identified by the GAP analysis.
- 6/29/18—Submit required NRC Form 398 documenting the required waivers up to and including GFES, OJT, 1040 hours, Written exam, Operating exam¹.

¹ Consistent with SNC operators, completion of Baseline 8 Gap training, which is currently under development as part of SNC Baseline 8 Gap training for operators, will be conducted for V.C. Summer operators but is not required prior to Form 398 Submittal.
