Subject: Request that exam material be withheld from public disclosure

Reference: Letter from Scott Darin (Exelon Generation Company, LLC) to U.S. NRC
(Regional Administrator, Region III), "Submittal of Initial Operator Licensing
Examination Outlines, "dated January 19, 2016

The Initial License Written Examination administered at Quad Cities Nuclear Power Station in 2016 was requested to be withheld for 2 years. The Station requests this examination and associated materials be withheld from public disclosure for a further 3 months, until August 1, 2018 to allow its use as an evaluation tool for the current initial license candidates.

Should you have any questions concerning this letter, please contact Mr. Nathaniel A. Kenderine, Operations Training Instructor, at (309)-227-4007.

Respectfully,
