Br.

03006692

To Whom It May Concern:

License Number: **47-11451-01**
Docket Number: **030-06692**

Please accept this letter as notification of Argos USA, LLC's intent to designate a new Radiation Safety Officer (RSO) for the Martinsburg, WV Plant. I am requesting a change to the named Radiation Safety Officer for license number: 47-11451-01. The current listed radiation safety officer named is Josh Didion.

The referenced license needs the radiation safety officer to be listed as Andrew Frye. He has successfully completed training described in criteria in Section 8.7.1 of NUREG-1556, Volume 4. Training was provided by Nevada Technical Associates, Denver, CO. A copy of the training completion certificate is enclosed.

Should you require additional information on this matter, please contact Mr. Frye directly by telephone (304-261-8746) or e-mail (afrye@argos-us.com).

Sincerely,

Heinz Knopf
Plant Manager
Argos USA, LLC

CC: J. Didion, A. Frye

This is to acknowledge receipt of your: Letter and/or Application Dated: 10/23/2017

The initial processing, which included an administrative review, has been performed.
 Amendment Termination New License Renewal

There were no administrative omissions identified during our initial review.

This is to acknowledge receipt of your application for renewal of the material(s) license identified above. Your application is deemed timely filed, and accordingly, the license will not expire until final action has been taken by this office.

Your application for a new NRC license did not include your taxpayer identification number. Please complete and submit NRC Form 531, Request for Taxpayer Identification Number, located at the following link: <http://www.nrc.gov/reading-rm/doc-collections/forms/nrc531.pdf>
 Follow the instructions on the form for submission.

The following administrative omissions have been identified:

Your application has been assigned the above listed MAIL CONTROL NUMBER. When calling to inquire about this action, please refer to this control number. Your application has been forwarded to a technical reviewer. Please note that the technical review, which is normally completed within 180 days for a renewal application (90 days for all other requests), may identify additional omissions or require additional information. If you have any questions concerning the processing of your application, our contact information is listed below:
