This response acknowledges receipt of your request. Since the record you have requested remains in draft form, consisting of language that is proposed for but not (yet) adopted in, the FOIA Management Directive.(MD) 3.1, and which may be reflective of differing points of view of, and comments exchanged among, among various program offices within the NRC, we are withholding the entire draft of MD 3.1 at this time on the basis of FOIA exemption 5, as it incorporates the deliberative process privilege.
