Desc: UCS requests digital copies of the recommendation by the NRC petition managers to the Petition Review Boards (PRBs) regarding immediate actions and the determinations by the PRBs for the following petitions: (1) Alliance for a Green Economy et al G20130211 (ML15279A566), (2) Paul Gunter and Kevin Kamps G20010262 (ML15097A477), (3) Thomas Saporito LTR-16-0123 (ML16264A169), (4) Thomas Saporito LTR-16-0160 (ML17090A267), and (5) Beyond Nuclear et al G20120172 (ML17090A267). The ADAMS ML numbers refer to quarterly status reports issued by the NRC on 2.206 petitions that list these petitions as having been closed by the agency.

Management Directive 8.8 states that the petition managers will present recommendations about immediate actions to the PRBs and that PRBs will make determinations for immediate actions whether the petitioners have requested immediate actions or not. According to the petition summaries in the cited quarterly status reports, these petitioners requested immediate actions. UCS requests the petition managers' recommendations to the PRBs about these requested immediate actions as well as the PRBs determinations about them.
