Audit Report

AUDIT OF DNFSB'S TELEWORK PROGRAM

DNFSB-17-A-06

Status of Recommendations

Recommendation 1: Revise the telework directive and operating procedure to a) Clarify the process for telework denials; b) List information technology security training as part of the telework requirements; and c) Incorporate a requirement to update agency telework training to reflect changes made in policy.

Agency Response Dated
October 17, 2017:

The Division of Human Resources will revise the telework directive and operating procedure to clarify the process for telework denials, list information technology security training as part of the telework requirements, and incorporate a requirement to update agency telework training to reflect changes made in policy. We anticipate the revision to be completed by 1st quarter FY 2018.

OIG Analysis:

The proposed action meets the intent of the recommendation. The recommendation will be closed when OIG verifies that DNFSB has revised the telework directive and operating procedure to clarify the process for telework denials, list information technology security training as part of the telework requirements, and incorporate a requirement to update agency telework training to reflect changes made in policy.

Status:

Resolved.
