SEPTEMBER 13 1979

Mr. Rolland J. Oselka, Chairman
 Berrien County Board
 Berrien County Courthouse
 Benton Harbor, Michigan 49106

Dear Mr. Oselko:

On behalf of the Nuclear Regulatory Commission I would like to thank you for making arrangements for the D. C. Cook spent fuel pool information meeting held on August 29, 1979 and also for chairing the meeting. I think it was useful for us to hear the concerns expressed and I hope we were of use in providing technical and procedural information to those present.

Thank you again for your cooperation.

Sincerely,

Brian K. Grimes, Acting Assistant
 Director for Systems Engineering
 Division of Operating Reactors
