 Participant(s) Name/Title: Patrick Vivot, President

 NRC Representative Name/Title: Randolph C. Ragland, Jr., Sr. HP

Subject: Voidance of New License Request

Discussion: Mr. Vivot stated that due to the hurricane Maria, he has not yet completed construction of his gauge storage area, and therefore has been unable to provide additional details to enable issuance of a new license. I stated that NRC needs to conduct a prelicensing visit and would like to perform the visit when the gauge storage area is complete.

We agreed that NRC Region I would void his new license request, without prejudice for the resubmission of a new license request. I informed him that if he submits a request for a new license within a year, he will not have to pay an additional application fee. I also stated that Region I was attempting to schedule a convenient time to conduct a pre-licensing visit.

Action Required: Region I will void Vivot Equipment Corporation's new license request.
