Gentlemen:

The enclosed IE Information Notice No. 81-05 contains information that may be applicable to your facility regarding the consequences of a degraded dc system. No specific actions or responses are requested at this time; however, pending the results of an ongoing NRC staff evaluation of this matter, further licensee actions may be requested.

Should you have any questions regarding this information notice, please contact this office.

Sincerely,

A Bert Davis

for James G. Keppler
Director
