Dear Mr. Dolan:

On September 20, 1982, the Commission issued Generic Letter 82-16 on "NUREG-0737 Technical Specifications." In discussions with your staff, we understand that Indiana and Michigan Electric Company did not formally receive this letter and assumed that it was withdrawn. We also understand that you had undertaken to respond to the letter and that you should be able to complete the response in 60 days. Generic Letter 82-16 was issued (as enclosed) and in view of its apparent loss in transmittal, we request that you complete your response within the 60 days as discussed. You are also requested to submit a copy of the response to Region III (Attention: Tom Tambling). If you have any questions on this matter, please let us know.

Sincerely,

Original signed by
