APR 20 1984

Docket Nos. 50-315
and 50-316

American Electric Power Service Corporation
ATTN: Mr. John E. Dolan, Vice President
Engineering and Construction
1 Riverside Plaza
Columbus, Ohio 43216

Gentlemen:

We have received a copy of your application dated April 18, 1983, which was filed with the Office of Nuclear Reactor Regulation (ONRR) for review. This application proposed certain changes to the Administrative Controls Section of the Technical Specifications for the D. C. Cook Nuclear Plant Unit Nos. 1 and 2. A Class II fee (\$1,200) and a Class I fee (\$400) were remitted with your application pursuant to 10 CFR 170.22.

Based on information provided by the ONRR staff, it has been determined that a refund of \$1,600 is appropriate since the April 18 application contained information which is considered as being supplemental to your March 29, 1982 request. Two Class II fees (\$2,400) and two Class I fees (\$800) were remitted with the March 29, 1982 application. Therefore, we have concurrently authorized the Division of Accounting and Finance to refund the sum of \$1,600 to your Corporation. Refunds are generally processed within a two-week period.

Sincerely,

Original Signed by
Wm. O. Miller

William O. Miller, Chief
License Fee Management Branch
