Gentlemen:

This confirms a telephone conversation between Mr. P. Barrett of your staff and Mr. J. F. Suermann of this office on October 9, 1984, in which it was confirmed that an Enforcement Conference between American Electric Power Service Corporation and the U. S. Nuclear Regulatory Commission will be conducted beginning at 10:00 a.m. on Friday, October 26, 1984, at the D. C. Cook plant site in Stevensville, Michigan. The purpose of this meeting is to review events involving an inoperable fire damper in Unit 1.

We will gladly discuss any questions you may have concerning this matter.

Sincerely,

C. E. Norelius, Director  
Division of Reactor Projects
