Dear Dr. Murley:

This letter responds to a request made by your staff during a telephone conversation of November 6, 1987. Specifically, we were requested to provide drawings of the layout of the spent fuel pool ventilation system equipment. The drawings were requested to support the review of our letter AEP:NRC:0959, dated May 28, 1987, which proposed changes to the technical specifications for the spent fuel pool ventilation system. In response to this request, we have included the following drawings as an attachment to this letter.
