Ms. Cook,

As you discussed with my colleague, Michael McDermott, will be attending a training course which will satisfy the requirements of NUREG-1556, Vol. 4, Rev. 1 Appendix D. Unfortunately, this training is not available until January and thus will not be able to submit proof by the November 12<sup>th</sup> deadline.

Mr. McDermott will resubmit the application with the required training upon completion, until such time my name will remain the RSO of record. Thank you for your time and apologies for the inconvenience.

Regards,

Jack Kogut  
HSE Supervisor, Onshore
