Christopher Jones, President & CEO
Westwater Resources, Inc.

Chris:

Can you provide NRC with an update to your plans for Juan Tafoya? We would like to take it off our "applications list" if it is not expected in the near future (3 yrs. out). It can always be added back on with an updated letter of intent. Since it is a conventional, we don't expect it in anytime soon. If we don't hear back from Westwater Resources with an update by the end of November, 2017, I plan on removing it from the list until we receive updated information. Please contact me if you have questions.

Thanks

Ron C. Linton
