MONTHLY OPERATING ACTIVITIES - August 1999

HIGHLIGHTS

The unit entered this reporting period in Mode 5 at 0% RTP.

The unit exited this reporting period with the core offloaded.

There were no challenges to the pressurizer safety valves or power operated relief valves.

Gross electrical generation for the month of August was 0 MWh.

DETAILS

- 08/02/99 At 0300 hours Train A and Train B Emergency Diesel Generators are declared operable for Modes 5 and 6. Inadequacy of design on combustion air intake, combustion exhaust, ventilation intake and exhaust structures in relation to tomado generated missiles has been addressed. Compensatory measures have been placed into effect via administrative controls.
- 08/02/99 At 1039 hours, commenced drain of Reactor Coolant System (RCS) to one to two feet below reactor head flange level in preparation for defueling the reactor.
- 08/02/99 At 2300 hours RCS level was established at 619.6 foot elevation (one to two feet below reactor vessel head flange elevation) with RCS vented to atmosphere.
- 08/03/99 At 0933 hours the unit entered Mode 6 as the first reactor head stud is de-tensioned.
- 08/04/99 At 1415 hours the reactor cavity flood up completed to support core off-load.
- 08/05/99 At 1914 hours commenced core off-load.
- 08/08/99 At 0531 hours the last fuel assembly removed from the reactor vessel.
- 08/29/99 At 0530 hours Train A and Train B Emergency Diesel Generators are declared inoperable for Modes 5 and 6. The meteorological monitoring system (MIDAS) is not available in the Unit 1 Control Room hence the ability to anticipate tomado winds is diminished. Per administrative controls associated with design deficiencies on diesel air intake and exhaust structures the diesels must be declared inoperable and fuel movement suspended.
- 08/29/99 At 0730 hours Train A and Train B Emergency Diesel Generators are declared operable for Modes 5 and 6. The meteorological monitoring system (MIDAS) is made available in the Unit 1 Control Room hence the ability to anticipate tomado winds is restored.

* All times are in Eastern Daylight Time (EDT).
