Those on Attached List:

The enclosed IE Information Notice No. 80-44 provides early notification of an event that may have safety significance. Accordingly, you should review the Information Notice for possible applicability to your facility.

No specific action or response is requested at this time; however, contingent upon the results of further staff evaluation, a Bulletin or Circular recommending or requesting specific licensee actions may be issued. If you have any questions regarding this matter, please contact this office.

Sincerely,

John W. Roy
for James G. Keppler
Director
