Gentlemen:

Thank you for your letter dated March 11, 1982, responding to our concerns which we brought to your attention in Inspection Report No. 50-315/81-29; 50-316/81-33; forwarded by our letter dated February 23, 1982. Your letter did not fully address our concerns, however, since this matter was discussed in detail during our March 16, 1982 Management Meeting with you, we have no further questions at this time. We will examine your corrective actions during a subsequent inspection.

In regard to our use of the term "the licensee acknowledged" in the Exit Interview paragraph of our reports, we interpret this to mean that the licensee understands the issues or information discussed. It does not mean that the licensee agrees with our position. We are sorry for any inconvenience this may have caused you.

Your cooperation with us is appreciated.

Sincerely,

R. L. Spessard, Director
Division of Project and
Resident Programs
