Gentlemen:

I am extending an invitation to all Region III licensee's to participate with Region III in a review of Revision 6 to the Operator Licensing Examiner Standards (NUREG 1021). Revision 6 to NUREG 1021 was recently issued and is scheduled to become effective October 1990. In order to reduce the amount of confusion associated with the transition to Revision 6, I believe a meeting to describe the changes and answer your questions is appropriate.

The meeting will be held on Wednesday, August 29, 1990 from 8:00 a.m. to 4:00 p.m. at the Sheraton Hotel, 1801 Naperville Boulevard, Naperville, IL 60563. The telephone number is 708-505-4900. It will be led by NRC Region III Operator Licensing Staff. All licensee staff associated with operator licensing are invited to attend.

To make the meeting as productive as possible, please provide a preliminary list of questions/issues to Ed Rau and indicate your intention to attend by August 15, 1990.

If you have any questions regarding the details of this meeting, please contact Ed Rau at 708-790-5596.

Sincerely,
