Mr. Feldkamp,

As we discussed today, additional information is needed to complete our review of your amendment request associated with a release of a location of use for unrestricted use, NRC license no. 24-26254-01, Mid-America Cardiology Associates, Inc. Specifically, please provide the following:

- 1) Efficiency of the well counter (Capintec, Caprac-t, serial number 10067);
- 2) List of sealed sources used at the location of use and the most recent leak test results for each source,
- 3) Indicate the disposition of each source, and receipt acknowledgement letter (from the recipient licensee Radiation Safety Officer) for each source transferred to another authorized recipient, confirming such receipt, if applicable;
- 4) Calibration date for the survey meter, Ludlum, Model 3, serial number 26027)

Please provide a written response in a signed and dated letter by October 6, 2017. You may submit your response via facsimile to my attention at 630-515-1078 or email at [Magdalena.Gryglak@nrc.gov](mailto:Magdalena.Gryglak@nrc.gov). Please reference control no. 600844 in your response. Please contact me if you have any questions.

Thank you
