AEP:NRC:00121A

Mr. Harold R. Denton, Director
Office of Nuclear Reactor Regulation
U.S. Nuclear Regulatory Commission
Washington, DC 20555

Dear Mr. Denton:

By letter dated May 9, 1980, AEP:NRC:00121, IMECo. requested two changes to the Appendix 'A' Technical Specifications for the Donald C. Cook Nuclear Plant Unit Nos. 1 and 2. IMECo. considered the proposed changes to collectively constitute two Class II Amendments and a Class I Amendment as per the provisions of 10 CFR 170.22. Accordingly, a check in the amount of \$2,800.00 accompanied our submittal.

We have been informed in recent telephone conversations with members of your staff that ONRR considers the changes contained in our AEP:NRC:00121 submittal to collectively constitute two Class III Amendments and a Class I Amendment requiring payment of \$8,400.00. As per ONRR's request, attached is a check in the amount of \$5,600.00.

Very truly yours,

R. E. Disbrow
Vice President
