Pat,

1. FYI: NRC plans to hold a public meeting on the Fee structure on December 13, 2017, 02:00 PM to 04:00. See meeting notice attached.
2. NSIR asked for a status update on the request for additional information regarding the Brady Integrated Security, Inc. (Brady) security clearance, see attached.

Also, we received additional feedback from DOE stating:

FYI - I checked the internet this morning for info on Brady. The company overview for Brady Trane Service, Inc. identifies the following individuals as key executives for the company. These three individuals should be included on Brady's OODEP/KMP form(s)

Mr. Jim Brady – President  
Mr. Don Brady – Founder and Chairman  
Mr. Wayne Thompson – CFO and VP/Finance

Also identified as key executives were the VP of Human Resources and the Safety Program Director – these positions are not included on the above list.

Sincerely,
