The purpose of this letter is to submit KHNP’s supplemental response to the NRC Notice of Violation (Reference 1), dated August 31, 2017. The violation was identified during the associated NRC inspection of the APR 1400 aircraft impact assessment conducted July 17- 20, 2017, at our contractor’s office located in San Diego, CA.

The results of immediate actions including the corresponding DCD markups were provided in the previous reply (Reference 2, ML17272A600). The supplemental reply contains the results of long term actions including the extent of condition reviews. DCD markups results from the long term actions are also included in the enclosure as an attachment. With regard to this reply, the results of corrective actions were incorporated into the AIA report (APR1400-E-P-NR-14002-P-SGI), and the report is available for inspection at the KHNP Washington DC Center.

Enclosure 1 provides the supplemental reply to NOV Report No.05200046/2016-202 (Security Related Information). Enclosure 2 provides the supplemental reply to NOV Report No.05200046/2016-202 (Non-Security Related Information)

If additional information or clarification is required, please contact Daegeun Ahn, director of KHNP Washington DC center at ahn.daegeun@khnp.co.kr or 703-388-0592.
