REGULATORY DOCKET FILE COPY

Gentlemen:

The Commission's Office of the Controller has been authorized to refund the Class III (\$4,000) and Class I (\$400) license amendment fees for Turkey Point Units 3 and 4 which were sent on May 29, 1979 (L-79-143) in connection with your application dated May 21, 1979 (L-79-127) relating to DNBR safety limits. The Commission has determined that the May 21 request is only supplemental in nature to your request of April 4, 1977, which predated the fee requirements of 10 CFR 170.22.

The refund is now being processed by the Controller's office and will be sent to you as soon as possible.

Sincerely,

Original Signed by  
Wm. O. Miller
