REGULATORY DOCKET FILE COPY

Docket Nos. 50-250
and 50-251

Dr. Robert E. Uhrig, Vice President
Advanced Systems and Technology
Florida Power and Light Company
Post Office Box 529100
Miami, Florida 33152

Dear Mr. Uhrig:

A meeting has been arranged to discuss the emergency plans for the Turkey Point plant with your staff, the State and Local Officials and the public. The attached schedule has been prepared for those discussions. Would you please arrange to have the plant and the appropriate members of your staff available according to that schedule. Also attached is a list of the visiting review team members.

Sincerely,

Original signed by
