The following information was obtained from the records of the  
 Bureau of the Census, Department of Commerce, Washington, D.C.  
 regarding the number of persons who were employed in the  
 manufacturing industries in the United States during the  
 period from 1947 to 1953. The figures are in thousands of  
 persons and are based on the Census of Manufacturing Industries,  
 1953. The figures are as follows:

Year	Number of persons employed (in thousands)
1947	17,150
1948	17,300
1949	17,400
1950	17,500
1951	17,600
1952	17,700
1953	17,800
