MEMORANDUM FOR: Steve Varga, Chief
Operating Reactors Branch No. 1
Division of Licensing

FROM: Rodney M. Satterfield, Chief
Instrumentation & Control Systems Branch
Division of Systems Integration

SUBJECT: TURKEY POINT UNITS 3 & 4 AUXILIARY (EMERGENCY)
FEEDWATER AUTOMATIC INITIATION AND FLOW INDICATION -
REQUEST FOR ADDITIONAL INFORMATION

In order for our contractor (Franklin Research Center) to complete their review of the Turkey Point Units 3 & 4 auxiliary feedwater automatic initiation and flow indication systems (Action Plan Item II.E.1.2) it is necessary to provide them with the information requested on the enclosure to this memo. We request that the enclosed request for information be forwarded to the licensee. To facilitate timely completion of the FRC review, the licensee should be asked to submit the required information by January 15, 1981.
