PART I.C COMMENTS (Use attached Comments continuation page if required)

By email dated August 17, 2017, we asked to speak with you to clarify the records you were interested in, inasmuch as the program offices reasonably expected to have any responsive records (Region I and NSIR) did not locate any letters satisfying your request. Because you were traveling, you asked us to email you with our questions. We did so by email also dated August 17, 2017. We conveyed to you that the only records NSIR located were several publicly available reports which we identified for you. We followed up again by email on August 21, 2017. We asked that you get back with us by August 28, 2017. Since we have not heard back from you, we are considering your request withdrawn and, accordingly, are administratively closing our file at this time.
