Topical Quality Assurance Report
(FPL-TQAR) 1-76A

Dear Mr. Haass:

This letter is to inform you of recent organizational changes in the Nuclear Affairs, Nuclear Fuels, and Power Resources Departments. A revision of the FPL TQAR is being prepared to reflect all of the following changes. When the revision is completed, it will be transmitted to you.

- o The Assistant Manager of Quality Assurance - St. Lucie Projects, who formerly reported to the Manager of Quality Assurance, now reports to the Director of Nuclear Affairs and has a new title of Superintendent of St. Lucie Projects-QA.
- o Fuel Resources - Nuclear and Nuclear Analysis are combined into a single Nuclear Fuel group. This combined group reports to the Manager of Nuclear Fuel, who reports to the Director of Fuels.
- o A new department named the Nuclear Energy Department has been created. The Manager of Power Resources Nuclear and his existing staff will report to the Director of Nuclear Energy. The Director of Nuclear Energy (director of this new department) reports to the Executive Vice President. The Director of Power Supply will continue to report to the Vice President of Power Resources - Fossil.
