Gentlemen:

By letter dated April 21, 1982, the Division of Licensing (DL) staff approved your application dated April 5, 1982, and issued Amendment No. 85 to Facility Operating License No. DPR-31. This application related to certain Technical Specification changes regarding boric acid transfer pumps for Turkey Point Unit 3. Although your application stated that the fee pursuant to 10 CFR 170.22 would be forwarded shortly, it has not been received by us.

Based on information provided by the DL staff as a result of their final review of your application, it has been determined that a Class III fee (\$4,000) is appropriate for this application. Therefore, you are requested to remit the sum of \$4,000 to this office.

Sincerely,

Original Signed by:
