Dear Dr. Grace:

Re: Turkey Point Units 3 and 4
Docket Nos. 50-250, 50-251.
Notice of Violation EA 84-121
FPL Time Extension Request

Your letter dated February 28, 1985 requires an FPL response to the Notice of Violation by April 1, 1985. Due to the complexity and multitude of the findings and to allow for thorough internal FPL review, we request a time extension for our response until April 15, 1985.

Per a March 28, 1985, telephone conversation between our staffs, we understand that the April 15, 1985, submittal date for our response should not present a problem to NRC. We therefore intend to submit our response by April 15, 1985.

Very truly yours,

J. W. Williams, Jr.
Group Vice President
Nuclear Energy
