Gentlemen:

SUBJECT: REPORT NOS. 50-250/85-09 AND 50-251/85-09

Thank you for your responses of June 13 and July 1, 1985, to our Notice of Violation issued on May 13, 1985, concerning activities conducted at your Turkey Point facility under NRC Operating License Nos. DPR-31 and DPR-41. It is our understanding that a supplemental response to violation No. 1 providing preliminary information addressing existing fasteners without full thread engagement, will be submitted by August 16, 1985.

Relative to your denial of violation No. 2 (Failure to Include the Accumulator Pressure Relief Valves in the ASME Section XI Pump and Valve Program), NRC is evaluating this matter on a generic basis. After the evaluation, we will inform you of the results and the status of the violation.

We appreciate your cooperation in this matter.

Sincerely,

Thank you for your response of June 19 and July 1, 1982, to our notice of violation dated May 13, 1982, concerning activities conducted at your facility. Your facility is on the List of Violators, WFLA-TV, Inc. It is our understanding that a single violation response to violation WFLA-TV, Inc. is not sufficient to bring existing violations into compliance with the Act. August 11, 1982.

In order to bring your facility into compliance with the Act, you must take steps to correct the violation of the Act. After the violation is corrected, you must submit a copy of the violation report to the Director of the Department of Environmental Regulation, 600 North Florida Avenue, Tallahassee, Florida 32304.

We appreciate your cooperation in this matter.

Sincerely,
