Gentlemen:

SUBJECT: REPORT NOS. 50-250/85-23 AND 50-251/85-23
(EA 85-80)

We have reviewed your December 6, 1985 letter, L-85-450, which modified your September 19, 1985 letter, L-85-355, responding to our letter of August 20, 1985, concerning Proposed Civil Penalty EA 85-80. Your commitment schedule modifications were reviewed and found acceptable. However, your response of September 19, 1985, did not address corrective actions for the additional item discussed in our letter of August 20, 1985, concerning your frequently inoperable Area Radiation Monitoring System (ARMS). Please provide your corrective actions for that item.

The responses directed by this letter and the enclosures are not subject to the clearance procedures of the Office of Management and Budget issued under the Paperwork Reduction Act of 1980, PL 96-511.

Sincerely,
