Gentlemen:

SUBJECT: CONFIRMATION OF ACTION - DOCKET NOS. 50-250 and 50-251

At a meeting held in the Region II Offices on September 25, 1987, you informed the NRC that you had removed one of your operators, (Docket No. 55-20338, License No. OP-20229-1), a licensed reactor operator at your Turkey Point facility, from licensed duties. Your action was reaffirmed on October 6, 1987, in a telephone conversation between Luis A. Reyes of my staff and J. S. Odom of your staff.

This letter reconfirms your commitment that:

This operator will not resume the duties of a licensed operator as required by the Turkey Point Technical Specifications until agreed upon by the Regional Administrator, Region II, NRC.

If your understanding of this matter differs from the above, please advise us immediately.

Sincerely,

J. Nelson Grace
Regional Administrator
