Dr. Robert E. Uhrig, Vice President
Advanced Systems and Technology
Florida Power and Light Company
Post Office Box 14000
Juno Beach, Florida 33408

Dear Dr. Uhrig:

SUBJECT: WITHDRAWAL REQUEST-SPENT FUEL STORAGE FACILITY EXPANSION FOR
TURKEY POINT PLANT UNITS 3 & 4

This letter is to acknowledge your request dated October 31, 1983, to withdraw the July 15, 1983 Amendment Request and accompanying Safety Analysis Report for the spent fuel storage facilities at the Turkey Point Plant. Your initial submittal indicated that vendor specific information necessary to arrive at a Significant Hazards Consideration determination would be provided by November 1, 1983. However, in your withdrawal request you indicate that the purchase order award has been significantly delayed, the initial submittal cannot be revised by November and that a new request and complete submittal is currently scheduled for March 31, 1984.

Based on your request, we have ceased all action on your proposed amendment and have closed out this item.

Sincerely,

Steven A. Varga, Chief
Operating Reactors Branch No. 1
Division of Licensing
