Hi, Ray,

I mentioned in our Monday call that we hoped to talk with you about our proposed hour by hour audit schedule early this week. I am scheduling that meeting but wanted to check prior to see if you could support at 1pm today. If that does not work, we can shift further out.

Thank you and have a great day,

Pat, Good Morning,

Could you please verify which version of the ESPA, ER section 9.3 was used to generate the information needs table you provided us? Was it Revision 0 which was submitted in May or was it the RSI response version with the total rewrite of Section 9.3?

Thanks

Ray Schiele
