Gentlemen:

SUBJECT: CONFIRMATION OF CONCURRENCE - TURKEY POINT UNITS 3 AND 4
DOCKET NOS. 50-250 AND 50-251

This letter confirms the telephone conversation of February 21, 1984, between my staff and your staff in which we concurred in your schedule for resuming operation of your Turkey Point Facility, Units 3 and 4.

This concurrence relates to our Confirmation of Action Letter to you dated February 16, 1984. The basis of this concurrence is your satisfactory action to resolve the electrical bus issues as discussed by your staff in meetings with the NRC on February 17 and 20 in the Region II Office. This concurrence is also based on your commitments contained in a Florida Power and Light Company letter to us dated February 21, 1984, and on our onsite inspection activities.

Should you have any questions, we will be glad to discuss them.

Sincerely,

James P. O'Reilly
Regional Administrator
