Gentlemen:

SUBJECT: MEETING SUMMARY - DOCKET NOS. 50-250 and 50-251

This refers to a meeting that Mr. R. C. Lewis of my staff and I held with Mr. K. N. Harris and Mr. G. Boissy of your staff. The meeting was held, at your request, in the Region II Office on April 12, 1984. We discussed the revision of the Turkey Point Performance Enhancement Report, dated April 11 and submitted April 12, 1984.

It is my opinion that the meeting was beneficial and has provided us with a better understanding of your plans.

Should you have any questions, we will be pleased to discuss them.
