Allen, as we discussed this morning, the below list of STO questions are, in TVAs opinion, appropriate for COL discussions, but are not, at least in part, appropriate for ESPA discussions. Prior to me requesting a clarification call, I would like your opinion on the merits of requesting a clarification call on the following STO information needs: STO-03, STO-04, STO-08, STO-012 and STO-013.

Thanks, if we need an internal call, let me know.
