Docket Nos. 50-250
and 50-251

March 25, 1985

MEMORANDUM FOR: Judge Dr. Robert M. Lazo, ASLB
Judge Dr. Richard F. Cole, ASLB
Judge Dr. Emmeth A. Luebke, ASLB

FROM: Gus C. Lainas, Assistant Director
for Operating Reactors
Division of Licensing

SUBJECT: BOARD NOTIFICATION (BN-85-030) SPENT FUEL POOL
EXPANSION TURKEY POINT PLANTS UNITS 3 AND 4

In accordance with the NRC procedure for Board Notification, the following information is being provided directly to the Commission. The Boards and parties are being informed by copy of this memorandum.

Enclosure 1 (memorandum from P. Bemis (NRC) to H. Thompson (NRC), March 15, 1985) addresses issues from Region II inspection reports 50-250/84-35 and 50-251/84-36 relevant to the proceeding, ASLB No. 84-504-07 LA, regarding amendments issued in support of the Spent Fuel Pool Expansions at Florida Power and Light's Turkey Point Plant Unit Nos. 3 and 4. The staff is currently assessing the issues identified by Region II and will keep the Board informed.

The Region II inspection reports 50-250/84-35 and 50-250/84-36 cited in the memorandum are provided as Enclosure 2.

Office of the President
George Washington University
Washington, D.C. 20057

Dear Mr. President:

I am pleased to hear that you are interested in the work of the Office of the President. I would like to discuss the various ways in which the Office can assist you in your work.

The Office of the President provides a wide range of services to the President, including: administrative support, public relations, and coordination of the President's schedule. We also provide a variety of other services, such as: travel arrangements, security, and communications.

I would be happy to discuss these services with you in more detail. Please contact me at your convenience.

Sincerely,
The President

1. The first part of the report deals with the general situation in the country. It is noted that the economy is in a state of depression and that the government is unable to meet its obligations. The report also mentions that the population is suffering from widespread poverty and that the government is unable to provide for their basic needs.

2. The second part of the report deals with the political situation. It is noted that the government is unable to carry out its policies and that the country is in a state of political instability. The report also mentions that the population is suffering from widespread political repression and that the government is unable to provide for their basic needs.

3. The third part of the report deals with the social situation. It is noted that the population is suffering from widespread social inequality and that the government is unable to provide for their basic needs. The report also mentions that the population is suffering from widespread social repression and that the government is unable to provide for their basic needs.

4. The fourth part of the report deals with the economic situation. It is noted that the economy is in a state of depression and that the government is unable to meet its obligations. The report also mentions that the population is suffering from widespread poverty and that the government is unable to provide for their basic needs.

5. The fifth part of the report deals with the political situation. It is noted that the government is unable to carry out its policies and that the country is in a state of political instability. The report also mentions that the population is suffering from widespread political repression and that the government is unable to provide for their basic needs.

6. The sixth part of the report deals with the social situation. It is noted that the population is suffering from widespread social inequality and that the government is unable to provide for their basic needs. The report also mentions that the population is suffering from widespread social repression and that the government is unable to provide for their basic needs.
