Subject: [External_Sender] RE: Final EIS for NWMI Construction Permit and Response to Comments on the Draft EIS from EPA

David,

Thank you for providing us with this response. NRC's comments have provided us with good clarification on those things I either had trouble understanding or finding in the document. Thank you for explaining that there is a Safety Review document submitted later on that isn't a part of the NEPA review, and will be examined by NRC before the license is granted. Wish you well on this project and hope the next one is just as successful!

Sincerely,

Joe

Subject: FYI: Final EIS for NWMI Construction Permit and Response to Comments on the Draft EIS from EPA

Joe,

FYI – the attached letter is on its way to EPA Region 7.

V/r,

David Drucker
