Jacob,

The attached NRC Inspection Report (NRC Form 591M) presents the results of the November 3, 2017 initial inspection of your NRC license. As discussed with you at the conclusion of the onsite inspection, no violations are cited in the Inspection Report. This Inspection Report does not require you to take any action and it is not required to be signed or returned. I do however request a courtesy email response from you acknowledging receipt. Thank you and please let me or Pete know if you have any questions.
