Ray,

I logged into IMS yesterday and today to see what's been loaded for the audits, but nothing came up for Clinch River. I received some helpful technical direction from Jeff Perry and also rebooted my computer to see if that would resolve the issue. The same problem persists.

I have a 2 o'clock meeting with RGS and a medical appointment shortly thereafter, so I'll try again around 4:30 to see if anything appears. I'll be in touch either way.

Thanks,
