Subject: RE: Draft Environmental Information Needs for Site and Technical Overview Sections

Ray

Forgot to mention that this is the last of our submissions of draft info needs for the environmental audit. You have received everything provided to us by our technical staff. Note that I will be out of the office for the next two weeks, but all the PMs have been heavily coordinating so as to address (or arrange to address) any questions related to environmental audit preparations.

See you soon.

Tami
