Ray

Unfortunately I don't have time to pull those info needs and get with the technical staff as I have some other demands for today.

But I did just learn that our socioeconomics staff member cannot join us today. We do have senior staff joining us on today's call who may be able to address the necessary clarification for the socio info need and perhaps for the others that you mention below, however, we cannot make any promises. What I can do at this point is to capture what your questions are about these info needs and will try to get back with you with our informed feedback.

Sound ok?

Thanks.
Tami

Allen is out. You are correct on the info needs for today's discussion. I would like to suggest we cover in the following order (although I am open to other arrangement if it works better for you guys):

- 1) SE-2
- 2) STO-13
- 3) MET-5
- 4) ALT-5
- 5) STO-3, 4, 8

Thanks.

Allen, can you verify the information need subjects for today's call? I believe the list includes STO 3, 4, 8, 12, 13, Met 05 ,
Alt 05, and SE 02.

Thanks

Ray Schiele
