This call is set up at your request. What are you looking to discuss for traffic?

I'm not sure that I can get a traffic specialist on call at this time. Please clarify.

I have time until a 1pm meeting.

Pat,

Are you planning for this call to include the traffic discussion?

Also, I got your voicemail from last night. We have talked about it internally. I am on another call right now, but if you are free to chat in a couple of hours, we can discuss.
