My notes do not include a safety briefing by me on Nov 2. Discussions with Ray indicate that the opening statement was done by Peter as well.

I was not physically present on Nov 17.

Hi

Please verify the following with regard to the November audits:

The face-to-face audit began with an opening statement and safety briefing by Jeff Perry (TVA). Peter Hastings then described the information that was available to the NRC audit team.

Thank you,

Patricia Vokoun, P.E.
